to Death, and an Immensity of

Chicago, Oct. 15,-The latest reports from the terrible fires in Northern keep the system in order and insure health, and Michigan represent the loss of life as being fearful. Some seven to eight hundred dead bodies had already been recovered, and it is believed that the number will reach fully one thousand and the wounded fully two hundred. This comprises fully hree-fourths of the population.
MILWACKEE, Oct. 15.—Later account are endeavoring, in many parts of the coun- from Northern Wisconsin confirm all pretry, to substitute preparations made of im- vious reports. There are rumors that the

burned village of Pesthigo will reach over A meeting of the citizens of the city of practical operation.
